

INSURANCE INSTITUTE FOR  
ASIA AND THE PACIFIC, INC.

ASEAN  
INSURANCE  
COUNCIL

Asean Professional Insurance Diploma (APID)

# **CERTIFICATE IN ASEAN INSURANCE MARKET PRACTICES (UNDERWRITING AND CLAIMS) PHILIPPINES**

## **MODULE 1 - NEW SCHEDULE:**

**July 23 and 24, 2025 (Wednesday and Thursday)**

9:00AM to 5:00PM (Phil. Standard Time)

Online via Zoom

The Insurance Institute for Asia and the Pacific Inc. (IIAP) is proud to offer a specialized Certification course, leading to the ASEAN Professional Insurance Diploma (APID). This prestigious qualification, to be awarded by the ASEAN Insurance Council (AIC) is designed to provide insurance practitioners with a comprehensive knowledge on market practices in insurance claims and underwriting within the ASEAN-member countries (Indonesia, Malaysia, Singapore, Thailand and Philippines), as well as on how these countries are currently managing climate change and environmental risks, from the perspective of the insurance industry. This program is ideal for insurance professionals seeking to enhance their knowledge and expertise and advance their careers in the industry for potential regional posting.

Join this program to elevate your expertise to effectively lead and navigate the ever-evolving landscape of the Philippine Insurance Market.

### **TARGET PARTICIPANTS:**

1. Insurance professionals including underwriters, claims handlers, brokers, reinsurers general managers who have completed their Insurance Diplomas in their respective countries & who wish to attain the APID. For Local participants, those who have completed at least Basic Non Life Insurance Course may attend, while working on their other requirements for the Asean Professional Insurance Diploma
2. Anyone who may not have a domestic Insurance Diploma but wish to learn more about ASEAN insurance markets' practices in terms of underwriting, claims and climate risk management.

**REGISTER NOW AND BE AT THE FOREFRONT OF THE  
UNDERWRITING AND CLAIMS MARKET PRACTICES!**

## KEY LEARNING OUTCOMES

*At the end of the course, the participant is expected to:*

1. Have a solid understanding of the insurance market landscape in the Philippines
2. Examine the legal and regulatory framework and key commercial influences on underwriting in the Philippines
3. Learn the key underwriting policies and practices in underwriting and claims in the Philippines
4. Evaluate the Philippines' general insurance portfolio mix and shifts in the mix in the last 10 years.
5. Understand the reinsurance practices and how reinsurance programs are arranged and reinsurance capacity sourced.
6. Examine how the Philippines manage natural catastrophe from the perspective of underwriting and reinsurance
7. Familiarize with claims practices across the various lines of insurance and learn the market practices in claims reserving, complaints handling and fraud detection
8. Gauge the influence of technology in insurance company operations and assess how the Philippines is leveraging on InsureTech or if market disruptors are able to come in to influence market growth and profitability
